Public Comment:

Cindy Hite - Said she was disappointed no one was in attendance and we should have more info on what was going on in town.

Michael Wimmer - Why are RV's permitted to be lived in on residential property?

Greenspace is an issue in his neighborhood. Is it correct that it is 3' property line for restrictions?

Chairperson will verify with the Town Clerk that the new Chapter 54 document needs to be presented to legal before presentation to the Town Council for approval.

The next two meetings are scheduled for:

March 23rd and March 30th at 6:30 pm.

Adjournment: 8:30 pm
